ENTERTAINMENT ENJOYABLE.

The M. E. Church, South, Sunday School gave an enjoyable entertainment at Liberty Theater last Friday night to a crowded house.

The readings and musical numbers preceding the playlet, put on at the last, were very enjoyable. The playlet, "The Black Vamp," and the negro impersonators and singers were applauded freely. The black-face performers were Miss Ora Wiseman, Elmo Maize and A. D. Gilbreath.

About \$30 was added to the Sunday School funds by the entertainment.

W. J. Lough of Marionville who recently bought the 270-acre Beck farm, was in Jasper last week looking after his property.

DINNER-TABLE SCIENCE.

"Kitchen Cabinet" Department of The News is Best in Its Class.

The News believes it has one of the very best of newspaper features in Nellie Maxwell's "Kitchen Cabinet," which is a regular department of this paper.

As every reader is more or less interested in eating, this department should be unanimously popular. Miss Maxwell's recipes are practical and economical, and provide dishes anyone can prepare to secure the most delightful and wholesome results.

Miss Maxwell is a noted domestic scientist, and readers of The News are to be congratulated that they have the benefit of her large experience. Her recipes, collected in a scrap book, would constitute a cook book of practical and intrinsic value.

HIGH SCHOOL NOTES.

The girls' athletic association has planned a tennis court just west of the boys' court on the east side of the schoolhouse. They intend to start work on it this week.

The High School assembly was addressed Tuesday morning by Rev. Kendell of Marionville and Wednesday morning by Rev. Sapp of Jasper and Rev. Mitchell of Butler.

The senior class play is progressing nicely. Mrs. Drummond of Nevada will be down the last part of next week to assist. Practising at the Liberty Theatre starts this week.

Jasper will be represented in the tennis tournament at Springfield April 28 and 29. The boys brought home medals last year and we are hoping they will do so again this year.

A program by different members of the high school will be given Thursday morning May 18, at assembly. All who wish to attend will be welcome.

Roscoe Patterson, eldest son of A. L. Patterson and wife of Jasper, died at the Jasper County Tuberculosis Hospital at Webb City last Sunday morning at 11:20.

Mr. Patterson began to feel the effects of tuberculosis two or three years ago, but not until a few months ago did he give up his work, being employed by the Platt-Porter Wholesale Grocery Co. He was for a time in the sanitarium at Mount Vernon and later came to the Jasper County institution.

The funeral was held at the home of his wife's parents, S. H. Williams and wife of Carthage, at 3 p. m. Monday, Rev. E. H. Sapp of Jasper conducting the service. Burial was in the Carthage Cemetery.

Besides his wife and his parents, he leaves four sisters and one brother, Zebedee, of Carthage. The sisters are Mrs. Golda Pearl of Shepardsville, Ky., and Misses Neta, Aretha and Pauline Patterson at home here.

SALES DAY, SATURDAY, MAY 6.

Examine the Merchants' Bargain List in This Issue.

The managers are looking for a good sale Saturday, May 6. The usual miscellaneous lot of hogs, cattle, sheep and poultry is expected. Leech Wiseman has listed 8 or 10 head of fine black Poland China hogs. The blood of the Wiseman herd is well known to be of the best and this small consignment will bring sharp bidding. Joe Bird thinks he will have several hundred White Leghorn baby chicks in the sale, which will give bidders a chance to get their chicks without hatching them.

If you will have anything for this sale phone or call at this office and we will be glad to print a complete list next week.

ALPHA CLUB MEETING.

The ladies of the Alpha Club met Wednesday afternoon, April 19, at the home of Mrs. Clarence Brown.

Eleven members responded to roll call, "My Favorite Flower and Why."

Mmes. Mayme Dimond of Lamar and Maude York were visitors. The business session consisted of the discussion of various subjects of interest, with the election of the following officers for the coming year: Mmes. Anna Wells, president; Sadie Ballard, vice-president; Hattie Wine, secretary, and Nettie Harbur, treasurer. The program was made up of two interesting and instructive papers. "Flower Culture," by Mrs. Hattie Teeter, who was unable to be present, was read by Mrs. Hattie Wine. "Weeds and their Uses," by Mrs. Nettie Harbur proved to be a subject of a broad nature and was thoroughly discussed by all members.

The social hour with delicious refreshments served by the hostess assisted by Mrs. Faye Roberts, was a pleasant feature of the afternoon.

The club adjourned to meet with Mrs. Vivian Wiseman at an all day meeting Wednesday, May 3.

Club Reporter.

When Mr. and Mrs. Frank Crow and family were driving into town after spending Sunday with G. H. Redmond and family the shaft of the buggy dropped down on one side cramping the buggy and throwing Mr. Crow and little daughter, Naomi, out. Mr. Crow received a badly wrenched wrist. The little girl received innumerable scratches about the face and head.

What One Gallon of Devoe Lead and Zinc Paint Will Do . . .

True Paint Economy is determined by the area a gallon covers, and not by the price per gallon.

Gallon is a measure of quantity and not of service.

Get this thought thoroughly in deciding on DEVOE LEAD AND ZINC PAINT instead of ordinary paint.

A gallon of DEVOE covers from 50 to 100 square feet of surface more than just ordinary paint, and will last much longer, saving the cost of additional painting in both material and labor.
